

Clare Vet Group Success

Accredited as an RCVS Small Animal Veterinary Hospital.

Clare Vet Group is pleased to announce that their clinic in Ballyclare has been accredited as an RCVS Small Animal Veterinary Hospital.

This means that it has been inspected by the Royal College of Veterinary Surgeons under their Practice Standards Scheme and meets the highest standard of Veterinary Care In those areas of the practice you do see - and those that you don't.

There are only two other Hospital practices in Northern Ireland and Clare Veterinary Group is the first mixed practice in Northern Ireland to receive this accreditation. In addition to complying with Core Standards, health and safety, hygiene and legal requirements, we also have access to full diagnostic facilities and can provide continual nursing and veterinary care for in-patients 24 hours a day.

We are very proud of our Hospital Facilities which include ...

- Four consulting rooms
- Two fully equipped operating theatres
- Digital X-ray suite
- Dental theatre for routine and specialised dental treatments including xrays
- ECG and ultrasound scanners
- Laboratory for in-house blood tests
- Isolation unit for infectious cases
- Dog and cat wards enable us to hospitalise sick animals overnight when necessary.

Nursing staff are present on the premises all night, every night and a veterinary surgeon is on-call 24 hours a day to attend to in-patients and emergencies as required.

- 24 hour Emergency Service - We provide our own 24 hour emergency service to all registered clients - using our own vets and nurses - On 02893 322 223
- We offer appointments during the day at our hospital in Ballyclare and at our practices in Whiteabbey and Cavehill along with evening

'walk-in' clinics in Ballyclare and Whiteabbey - weekdays between 6 and 7pm when no appointment is necessary

We are pleased to work with the Dogstrust and Cats Protection League to offer reduced price neutering to those on a means-tested benefit (Dogs £15.00/ Cats £5.00)

New for 2011 we are offering

- Puppy training classes with an experienced dog trainer
- Free nurse clinics – you can join our geriatric club, fat club and puppy parties!

To celebrate our success in achieving Hospital standard we are offering free microchipping with all vaccination boosters in February and March!
